DETAILED ACTION

1. Claims 1-33 are pending as amended on 29 June 2006.

Response to Amendment

2. The reply filed on 16 October 2006 is not fully responsive to the prior Office Action because of the following omission or matter:

Each claim has not been provided with the proper status identifier, and as such, the individual status of each claim cannot be identified. Note: the status of every claim must be indicated after its claim number by using one of the following seven status identifiers: (Original), (Currently amended), (Canceled), (Withdrawn), (Previously presented), (New) and (Not entered).

Specifically, claim 14 is presented with the status identifier (Original)—and it contains the text of the originally filed claim—yet claim 14 was amended in the submission filed 29 June 2006 and any changes to bring it back to the wording of the originally filed claim have not been shown.

Further, claim 18 is presented with the status identifier (Previously Presented), yet it also has been amended back to the wording as originally claimed without showing any changes

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
